MESSAGE FROM CHAIRMAN

As a diversified holding company, RMB Group is active in a wide range of industries including Contracting, Manufacturing, Trading, Power & Water, Real Estate, Agriculture, Hospitality and Educational services. Our clear overall mission, the beneficial organizational tactics, integrated workforce, and individual awareness make up the RMB Group portfolio that primarily focuses on today's market growth and safeguards our sustained and promising future.

My Philosophy is based on the focus of quality that stands out amongst the crowd which is why RMB Group is committed to the highest business stand and we pledge to deliver. As a true competitor of any sport, we strive day in and day out to be true champions, excellence in all we do! Our group, each chaired by a senior member of our managing team, ensures our operational guideline policies are implemented with high standards, excellence and integrity. With as much devotion and significance, we also take the feedback, advisory and support of our employees, clients, and stakeholders in the value chain as well as the view of the public eye in creating value creation.

I would like to express my gratitude for the support you have been extending to us, I'm confident with our experience and background in its quest of perfection, RMB Group will continue to offer unrivaled platform for growth and introduce services to new markets worldwide.

Rashed Mohamed Mahran Alblooshi
Chairman, RMB Group

ABOUT RMB GROUP

RMB Group is a privately-held diversified group of companies and subsidiaries that operate under one umbrella

Since its founding, we are guided by a set of essential values that define the spirit of our group and classify who we are. We adhere to our core principals namely: Integrity, Commitment and Sustainable Performance all of which orchestrate the characterization of the group's performance and objectives. Decades later these values remain ardent, making us one of the leading Pioneer Business Groups in the Middle East.

A true team, a family started a movement far greater than what any one individual can do on his own. The outcome speaks for itself. It's the will to continue to be great and lead is what sets us apart from our competitors. Our aim is to deliver sustainable growth that matches the expectations of all our stakeholders and the community at large, we have composed a rewarding client base implanting new ideas to continue moving towards our goal of expanding both locally and internationally.

RMB is ranked among the most pioneering business groups in the Middle East and is one of the fastest growing corporate houses. The group's headquarters focuses on investing in growth and overseeing the functioning of the individual group companies. Each RMB company operates independently, keeping customers delighted, achieving growth through excellence and innovation, all the while balancing the interests of shareholders, employees and the community.

VISION STATEMENT

Striving to serve the international community with our diversified, sustainable and reliable products and services

MISSION STATEMENT

To be the driving force to deliver quality and committed services exceeding customer expectations in all the sectors of our operations

OUR CSR POLICY

The RMB Group emphasises CSR programs in keeping with its Emirati roots and philosophy which stress that a responsible business house should fulfil its corporate social responsibilities.

At the heart of these CSR initiatives is the Group's desire to contribute to the development of society as a whole. The Group's projects have contributed to job creation, ethical business practices and supporting the economy through affordable pricing to the industry and customers at large. Other initiatives include hiring local employees, offering growth opportunities to deserving talent and value added services to the underprivileged.

The Group is also involved in charitable initiatives, because of the founder's deep-rooted belief that sharing wealth with the community is one way of growing.

OUR CORE VALUES

We define our work by our philosophy and motto of “Integrity, Commitment, and Sustainable Performance” we work with:

INTEGRITY

We conduct our business fairly, with honesty and transparency. Everything we do must stand the test of public scrutiny.

UNDERSTANDING

We are caring and show respect, compassion and humanity for our colleagues and customers around the world, and always work for the benefit of the communities we serve.

EXCELLENCE

We constantly strive to achieve the highest possible standards in our day-to-day work and in the quality of the goods and services we provide.

UNITY

We work cohesively with our colleagues across the group and with our customers and partners around the world, building strong relationships based on tolerance, understanding and mutual cooperation.

RESPONSIBILITY

We continue to be responsible and sensitive to the countries, communities and environments in which we work, always ensuring that what comes from the people goes back to the people many times over.

GBH INTERNATIONAL CONTRACTING LLC

Operating from the illustrious cities of Abu Dhabi and Dubai, GBHIC was formed with the collaborated aim of being able to offer complete solutions with a more efficient approach to the traditional method of managing a construction project, by providing coordinated services all within one company and under the same roof.

Under the very able wing of RMB Group, we offer a variety of services involving Civil Construction, MEP Contracting, Infrastructure services, and Industrial installations across various segments of the industry.

In Pursuit of Excellence

GBH INTERNATIONAL
CONTRACTING LLC
Diligence is what we believe...

We further specialize in:

- Infrastructure and Civil Works construction
- Design & Build Contracting
- Turnkey Contracting
- Value Engineering
- Industrial equipment procurement and installation
- MEP works

Following our successful tenure in the United Arab Emirates, GBHIC have initiated its operations in the State of Qatar and Sultanate of Oman. Our long-term focus would be to establish our expertise in other GCC regions.

REEM CAPITAL CONTRACTING

Established in 2005, Reem Capital Contracting is a dynamic leader in the construction industry, offering full contracting services besides feasibility studies and preliminary designs. The company's unique strength lies in its massive cutting-edge resources, including cranes, trucks and other infrastructure as well as manpower to take on the most challenging projects.

A unique feature of Reem Capital Contracting is the proprietary quality control system developed in-house. The company has over 270,000 square feet of built-up facilities and stores. Another speciality of the company is its record for fast-track project completion to consistently high standards.

Quality That Rises Above The Rest

REEM CAPITAL CONTRACTING LLC
ريم كابيتال للمقاولات ش.ذ.م.م

DUBUILD

Dubuild is recognised as a leader in the construction of quality buildings, from residences to palaces and offices to hospitals. The company offers professional services across the spectrum of civil engineering, infrastructure construction, and maintenance.

Dubuild, while known for its strength in traditional construction methods also embraces a fresh and innovative approach to challenges in the field.

A Reputation of Building Trust

There is also a big & small vacuum casting plant, a test lab with calibrated testing equipment and a toolroom with sophisticated machines for making accurate & precise moulds.

Excellence In Innovation & Precision Designing

NATIONAL RUBBER INDUSTRIAL

Established in 2004, National Rubber Industrial has specialized in combatting the enormous and heterogeneous waste of tyres. We pride ourselves as an organisation that has been formed to recycle the hugely accumulated tyre wastes and help the government in turning this waste into reusable material like tyre granulate, crumb rubber, steel, iron granules and fiber. Equipped with state-of-the-art machinery producing a wide range of recycled tyre products, National Rubber Industrial, with an installed capacity to process 15000 MT tyres per annum.

The useful portion of a tyre is shredded and converted into granules, rubber and steel that's 99% free from fiber. While we ensure that our customers get only the best quality products, our target is to improve the industry by providing products at the most competent prices.

Recycling for a Better Future.

Insurance Solutions You Can Count On

E-LOGISTICS LLC

Established in 2001, E-Logistics LLC today offers a full range of sea and air freight forwarding and logistics services worldwide. The company has achieved a high level of success in a very short time by combining in-depth local and regional knowledge with its global network of exclusive partners.

Wide synergy and team-spirit binds together several separate companies and allows us to act in harmony to deliver what is required by the market.

Dependable Service is Our Competitive Edge

EMIRATES HYDROPONIC FARMS

Emirates Hydroponics Farms (EHF) is the only company in the entire Middle Eastern region to possess the revolutionary patented RGS hydroponics greenhouse technology. EHF's first multimillion dollar climate controlled greenhouse, completed in 2005, is located within easy reach of both Abu Dhabi and Dubai. Professionally managed under European experts who have established successful hydroponics facilities in countries such as Japan, Australia and in the Pacific Islands of Fiji.

EHF has gained a rather interesting reputation among clients as "Little Holland in the UAE". This name came about because lettuces grown all year round at EHF are mainly of European varieties.

A Decision for Nature.

Emirates Hydroponics Farms

RMB LANKA

RMB Lanka was established in Sri Lanka in 2014 under the International Expansion Program to promote business overseas.

When deciding to expand the wings of RMB Group in other countries, Sri Lanka was selected for targeted investments. The country has excellent potential for the tourism industry to flourish, with its beautiful beaches, mountains and bio-diversity. Sri Lanka also has untapped industrial potential, especially since uninterrupted power supply is available throughout the year. RMB Lanka is poised for dramatic growth in the future.

Creating New Destination Experiences

RMB LANKA

HAPPY LEARNING NURSERY

Happy Learning Nursery is Dubai's premier high-tech nursery, where children learn while having fun, and parents have total peace of mind. The nursery sprawls over a large space in Barsha Heights and has an interactive play area and a cinema room for screening cartoons.

Happy Learning Nursery is an advanced, all-day, multi-cultural childcare facility with a holistic, fresh approach to childcare. Its mission is to provide a nurturing environment with high quality education, while ensuring that children are happy, engaged, inspired, safe and healthy. A qualified nurse is present in the nursery at all times, with a consultant paediatrician visiting twice a week.

The nursery's guiding philosophy is that when learning is fun, kids excel, and when kids do well, they become happy and confident members of the community.

Where Young Minds, Prepare for Success

Happy Learning Nursery

PICCADILLY NURSERY

Piccadilly Nursery aims to provide children with a variety of experiences designed to help them enter school with a positive attitude to learning and an enquiring mind. The nursery features an integrated technology area for children to learn with the times, and an amazing outdoor area that intrigues children's imagination and encourages their natural curiosity.

A member of the National Day Nursery Association (UK), Piccadilly Nursery offers children the best start in their educational journey.
